Important safeguards

When using electrical appliances, basic safety precautions should always be followed including the following:

1. **Read all instructions.**
2. To protect against electrical hazards, **DO NOT** immerse cord, plug or appliance in water or other liquid.
3. **Close supervision is necessary** when used by or near children.
4. **ALWAYS** unplug from outlet when not in use.
5. **DO NOT** operate any electrical appliance with a damaged cord or plug, or if the appliance malfunctions or has been damaged in any manner. **RETURN** all malfunctioning appliances to the factory for examination.
6. **DO NOT** use appliance for other than its intended use.
7. **DO NOT PUNCTURE HEATER FOR ANY REASON.**
8. For Use 12 volt electricity only.
9. **CORD MUST EXIT** towards the back of bed, away from normal travel of pet.
10. **DO NOT** allow the Thermo throw to be folded over on top of itself
11. **DO NOT TUCK** the Thermo Throw into the cushions of a chair, couch or car seat.
10. **SAVE THESE INSTRUCTIONS FOR YOUR USE.**

Instructions

1. Check to make sure heating element is zipped into the cover.
2. Turn the throw so the cord is exiting the back of the throw, away from the normal path traveled by your pet.
3. When washing, zip open the cover and turn the throw inside out, unzip and remove the heating element. **DO NOT allow heating element to be immersed in liquid.**
4. Wash cover in cold water and air dry.
5. When reassembling you Thermo-Throw, make sure the cover is turned inside out. Lay the heating element on the cover and zip in. When the heating elements is zipped back into the cover turn right side out and check to make sure the heating element is still zipped into the cover, and then zip the cover closed.
6. The cigarette light adapter should be used when being used in a car or RV. The AC adapter should be used when in the home or when in an RV and plugged in for the night at an RV park.
7. **ALWAYS** give your pet the choice to lie on **OR** off the heated bed.
8. **DO NOT ALLOW YOUR THERMO-THROW to be tucked into couch, chair or car cushions. DO not allow THERMO-THROW to bunch or fold over onto itself.**

Testing your new Thermo-Throw

After operating 1-2 hours, place a pillow on top of your pet's new THERMO-THROW. Wait about 10 minutes and place you hand under the pillow to feel the gently warmth. Your THERMO-THROW is designed to provide mild radiant warmth. **THEY DO NOT GET HOT!**
